Now with the new Directors Cut Survival Horror survival system you get to be the character on the big screen. Will you go through that door alone? Will you pick up the gun on the floor or run? These are questions you will get to answer while the killer comes after your character. Nightmares await you within the realms of Crispy Zombie s first chapter in the Directors Cut Survival Horror survival system. You are in charge of your character s fate. Can you survive? The Director sits in front of you, a wicked smile on her face. The killer opens the door and is standing right in front of you. He is wearing a shiny black tuxedo and a top hat. He brandishes a butcher knife that catches the moonlight coming in from the window, casting an eerie flash of light onto your chest. You feel your heart beating. The killer did not know you were here and is as surprised as you. The Director pauses and leans forward on her hands. Her smile disappears for a moment. What do you do? She asks.
