The Identity Crisis is particularly critical in the Church. Understanding and embracing one s true identity is vital to the success of a Saint in partnering with the Lord in their calling. The issue of identity is what distinguishes Adam s sons from Jesus brothers. Paul provides Five archetypes of people in Ephesians 4 that can illuminate aspects of our identity that have been dormant, but are awaiting recognition. Historically, we have looked at these Five as super-Christians and labeled them The Fivefold Ministry Offices, but in this book we take a fresh look at them from a more personal, accessible perspective - as personality types. At the very core of who you are, there is one primary tendency that you manifest all the time. Understanding the Five helps in self-discovery, but also in organizational communication - in the Church and in the real world.
