Get this Amazing book now on Discount for a limited time only. The first few chapters clarify the real meaning of atheism, reconcile common impressions of many and attempt to provide a clearer view of their standpoints that atheists are people just like you me sharing the planet earth; only they choose not to believe in the existence of an invisible man or entity with claims of higher power also known as "god or creator" to the religious people. This book emphasizes the great advantages of being an atheist who has the freedom and authority to his own being without any stress from a religion or church. Atheism is explained as a position in life and not as a religion as commonly mistaken by many people. Differences in beliefs and attitude towards any given situation are also included together with collated analytics between a theist and an atheist. Some of the arguments may even inspire you to experiment on yourself and try to be a skeptic to find plausible facts to your unanswered questions. See if you still believe in creationism rather than naturalism as we debunk more of the argument if this earth was really made by an "Intelligent Designer or Planner" that everything seemed so perfect and balance with direct and indirect relationships to one another. On the other hand, do we believe that...
