Wishing Rock Press, United States, 2012. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****. The Wishing Rock Theory of Life (a novel with recipes) is the second novel in the Wishing Rock series. The series begins with Letters from Wishing Rock, which was named a 2013 B.R.A.G. Medallion Honoree and given the Awesome Indies Seal of Approval. The third book in the series, The Tides of Wishing Rock, concludes this popular series filled with wit, wisdom, and recipes! Reading it felt like sitting comfortably by the fire, talking with my nicest and funniest friends, all of whom had uplifting and sometimes hilarious thoughts to share. Molly Ringle, author of What Scotland Taught Me Ms. Stucky s novels are fantastic! A fresh approach to writing that takes readers into the lives of the characters (which are all interesting and fun). I never wanted the books to end! The concepts of happiness, joy, and love are all addressed in ways that are thought-provoking and so much fun to read. I love the fact that the characters are so real, and the story is so believable. I recommend this book to anyone, but especially someone that you think might benefit from a new way of looking at happiness in life. - SJ, Amazon reviewer I wish this series would have been around when I was younger and still trying to figure out what I wanted in a relationship and in life in general. - PLL, Amazon reviewer Author Pam Stucky skillfully drew me into a warm circle of friends through their texts, emails, letters, and newsletters. She has created a cast of individuals having distinct quirks, senses of humor, and worldviews. Their correspondence ranges from thoughtful discussions of relationships lost or changed,...
