Nature Boy (Paperback)

By Michael J Vaughn

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.It all begins when Skye Pelter has a shouting match with his sister during a family vacation (yeah, politics) and leaves their cabin at Lake Tahoe. He ends up in Bridgeport, a little town east of Yosemite, and, after singing Nat King Cole s Nature Boy at a karaoke bar, meets Sarge McCollum, a reclusive billionaire who lives in a mansion built into an abandoned silver mine. Skye s visit there is like a trip to Oz (Sarge having a fondness for jazz relics and exotic technologies), but what s even better is what he discovers afterward: his 86 Toyota pickup has been outfitted like a Bond car, and his bank account contains six figures (a small cash incentive for signing a non-disclosure agreement). So, thinks Skye, what would a Nature Boy do? A wild, free-wheeling adventure in the Kerouackian mode from the award-winning author of The Popcorn Girl and Frozen Music.
