What seems to me the happiest hour That comes in all the passing year, Is when the first unfolding flow r Uplifts its lovely head to hear The sweet voice of the first bluebird Speak to its love the marriage word. With bill to bill and breast to breast They speak in accents low and sweet; They twitter and their love s confessed In words I never can repeat. Whether or not they understand, They have obeyed love s best command. Who shows the bluebird how to find A happy mate among its kind, Will show us, in our race of life, How, when, and where to find a wife. Two should not sail the sea of love Without assurance from above That Heaven moved them both to start By putting love within their heart.
