The Memory Collector

By Meg Gardiner

Penguin Putnam Inc. Paperback / softback. Book Condition: new. BRAND NEW, The Memory Collector, Meg Gardiner, The second pulse-pounding thriller in Meg Gardiner's Jo Beckett series, whose "thrilling, crackerjack, adrenaline-filled" debut was an Independent Mystery Booksellers Association bestseller. Forensic psychiatrist Jo Beckett's specialty is the psychological autopsy-an investigation into a person's life to determine whether a death was natural, accidental, suicide, or homicide. She calls herself a deadshrinker instead of a head-shrinker: The silence of her "patients" is a key part of the job's attraction. When Jo is asked to do a psychological autopsy on a living person-one with a suspect memory who can't be trusted to participate in his own medical care-she knows all her skills will be put to the test. Jo is called to the scene of an aircraft inbound from London to help deal with a passenger who is behaving erratically. She figures out that he's got anterograde amnesia, and can't form new memories. Jo finds herself racing to save a patient who can walk and talk and yet can't help Jo figure out just what happened to him. For every cryptic clue he is able to drag up from his memory, Jo has to sift...
