Brand New Book ***** Print on Demand *****.Excerpt from The Federal Income Tax The taxation of income is a relatively new phenomenon in American fiscal life. Only within a decade has the Federal Constitution been amended so as to make a national income tax possible; and this amendment came in the nick of time. It is appalling to think of the situation into which we should have been plunged had we not been in a position to aliment our revenues during the Great War from this source. The very newness, combined with the hugeness, of this fresh device has, however, naturally engendered all sorts of difficulties from which we are slowly trying to extricate ourselves. In every new fiscal project there are three stages which must be traversed. The first is for the legislator to decide as to the fundamental principles on which the bill is to be constructed. These principles are primarily economic in character. Inasmuch as fiscal science still a youthful discipline in America and in view of the comparative insignificance of the income tax in the public finance of foreign countries,...
