Summer is over and as usual the excitement of a new school year surrounds the town of Crater. But, there is a new football coach and anticipation is high as Eric and his teammates eagerly begin their preparation. Eric is a multi-talented three-sport athlete but there are questions in his mind about where he ll fit. He is a quarterback but there is a senior to battle for the spot. There are many questions to be answered and Eric is eagerly anticipating the outcome. He is first of all a team player and his main goal for this season is to fit in somewhere and be a part of a turn around in the Crater Comet football program. The first book, Sophomore, in a nine book series, follows the fortunes of Eric and his friends through football, basketball and baseball seasons. High school can be a trying time as young people grow and battle life s ever multiplying challenges. Sports gives Eric an opportunity to experience, with his friends, those ups and downs through team competition. Participating in sport only adds fuel to the fire but the rewards are well worth the challenge. The Sophomore year awaits.
