Excerpt: . . . original manuscript treatise on the tides. The manuscript is in Galileos handwriting and concludes with the words: --Written in Rome in the Medici Gardens on January 8, 1616. The currently accepted text, the original of which was supposed to have been lost, differs considerably from that of the manuscript just found. Pope Leo XIII has taken the greatest interest in the discovery and has ordered the manuscript to be published in an elegant edition at the expense of the Vatican. Among the papers presented at the last annual meeting of the Astronomische Gesellschaft, held at Budapest, is one by Professor R. Von Kovesligethy, of the University of Budapest, entitled Ueber diebeiden Parametergleichungen der Spectral Analyse, the object of which is to develop a mathematical theory for astrophysics. The author shows how the two fundamental equations of heat are destined to play as important a...
