Createspace, United States, 2009. Paperback. Book Condition: New. 546 x 366 mm. Language: English . Brand New Book ***** Print on Demand *****.Every town has its history, and every town has its secrets. Carla Heine learned Sonoma s secrets, and it s haunted history before that information passed from living memory, and died away with the last of Sonoma s Victorian generation. The Sonoma Ghosts series contains first-hand accounts of Sonoma s secret past, and information gathered from the Victorians who ran the isolated town of Sonoma with fists of iron in kid-skin gloves from the 1870 s until the 1970 s. For over a decade, from behind heavy silver tea sets, in the salons of Sonoma s most powerful citizens, Carla Heine listened to their stories every Sunday afternoon at four o clock high tea. It is said that houses are not haunted, but that people are haunted. As you read this collection of Sonoma s haunted past, it will be up to you to decide if that is true, or not. You will discover, as Carla Heine discovered, that not only a house, or a person can be haunted, but an entire town can be haunted.
