Beijing Danwei: Industrial Heritage in the Contemporary City

By Michele Bonino, Filippo de Pieri

JOVIS Verlag. Paperback. Book Condition: new. BRAND NEW, Beijing Danwei: Industrial Heritage in the Contemporary City, Michele Bonino, Filippo de Pieri, Danwei-these are city districts in China that are characterized by close links between work, residence, and social facilities. They are the material product of socialist city planning and therefore provide an urban experience that forms a stepping stone between the hutongs of the imperial capital and the superblocks of the present-day metropolis. Contrary to the disused industrial sites in western cities that often disrupt the continuity and scale of the urban fabric, the danwei have a much closer relationship to the historical, as well as the contemporary city. In modern-day Beijing, the danwei represent a unique experimental field of urban planning. Beijing Danwei looks at the history and future of former danwei and presents exemplary strategies for dealing with industrial heritage. Case studies show the problems that go hand in hand with transformation and present perspectives and potential with regard to usage and the urban regeneration of Beijing. The book includes essays by the editors, as well as by Pierre-Alain Croset, Gary Hack, Thomas Herzog, Liu Boying, Liu Jian, Lu Duanfang, Shen Yuan, and Zhu Wenyi. There is an...
