Lamat Press. Paperback. Book Condition: New. Paperback. 492 pages. Dimensions: 8.5in. x 5.7in. x 1.3in.Christopher is a young Catholic priest sent from his native Bend, Oregon to the big and sin-full city of San Francisco during the height of the AIDS crisis. He quickly finds that the metropolitans are quirky but friendly and makes friends with a number of parishioners -- amongst them a homeless man, a gay couple, and Dolores, a beautiful Latina who makes a living selling tamales on the streets. Christopher has chosen his profession because he is lazy and has no interest in sex. He thought that a perfect combination for a Catholic priest, and so far his vocation has served him well. In San Francisco, though, unusual things start happening -- things that a Catholic priest might be tempted to call miracles. Unprepared for the onslaught of the unusual, Christopher is shocked into action when the child of Dolores is kidnapped. There is no trace of little Peter, and no help if forthcoming for what soon looks like a lost cause. But the childs younger brother, Paul, starts drawing on books. It takes a while to understand, but the drawings are mysterious clues that seem to indicate where the varied bunch can find young Peter. Once the clues are deciphered, they imply imminent danger to Peters life, and they are religious in nature. Christophers faith and knowledge of theology are tested, and with them his ability to connect with friends and acquaintances to find the correct solutions and the way to Peters hiding place. But what if the clues are not solved correctly Are Christophers lazy years in seminary going to be sufficient to solve a puzzle that might cost a young childs life While time is running out faster and faster, Christopher exhausts all...
