AuthorHouse. Hardcover. Book Condition: New. Hardcover. 216 pages. Dimensions: 9.1in. x 6.3in. x 0.9in.My Number Was Up, Dad, written by Gary and Gabriel Vaught, is the real life account of a phenomenal sequence of events (that still occur today) following the death of the familys eighteen-year old son, Gabriel. Gabriel died suddenly and tragically while attending college in Chicago, Il, from symptoms associated with Type-One, (Insulin Dependent) Diabetes. The entire event was a mystery for two short days until their son contacted them from the afterlife to explain his death, his departure from the earth, his amazing revelations and observations of and from heaven. This Fishers, Indiana, family could have never imagined a more tragic or startling turn of events in their life. From experiencing the grief of the horror of hearing of their sons mysterious death, to the channeled communications that occurred in a leisurely dialogue that reinforces his existence in the afterlife, (proving the Afterlife Consciousness theory) through Spirit communications. Numerous conversations subsequently have occurred bringing Light to the Vaughts of what each individual can expect to learn here and hereafter. The journey is laid out in an easy to understand process that bears witness to why each human being lives here and hereafter. The story is a tragedy turned into a triumphant joy for Gary, producing an inner peace that brings him now to the threshold of an entirely new and different life. He spends each moment now walking with Christ. Serving God in instructional and guided ways that help humans better understand their true Spiritual awakening, he discusses anyones abilities to communicate with Spirit for guidance or joyous purposes, through conscious awareness and practice. The significance of the messages, serve to inspire faith and awareness, and are insightful, as they raise ones consciousness beyond customary routine...
