Createspace, United States, 2013. Paperback. Book Condition: New. 224 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. With colorful characters so ludicrous they could only be real, McCord s satire of profit, politics, and capital punishment should be required reading. -- Clarion Review What will readers encounter when exploring the wicked and witty satirical universe of Michael McCord s The Execution Channel: A Political Fable? First, they will travel to the not-so-distant future and discover the emerging new country of Real America and the Galtian Imperatives, a faith-based economic religion which promises that extreme austerity and tax cut policies will ensure prosperity for all though the exact details of the magic remain elusive. Next, readers will see that John Galt, the fictional hero of Ayn Rand s Atlas Shrugged, has become the founding father icon of Real America and the Real American Party, the new political force sweeping the land. Local militias do their patriotic duty and lead the privatization craze throughout Real America while employing a creative protection racket plan to fit every business budget. Finally, readers will behold the majesty of The Execution Channel - a televintet network that promotes a focus-group tested variety of live executions in football stadium settings. As foretold by the Galtian Imperatives, The Execution Channel has been hailed as a model of modern economic policy that seamlessly merges massive private sector profits and public sector bankruptcy. Set in 2018 in an increasingly non-United States of America, The Execution Channel: A Political Fable is fantastical in its imaginative scope of American political rhetoric and public policy run amok. McCord, an award-winning journalist and writer who lives in New Hampshire, offers fictional reportage with a provocative twist and more than a few punch lines. The initial spark for this...
