Reviews

The ebook is great and fantastic. We have read and i also am sure that i am going to likely to go through once again again down the road. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Electrical Contracting Shop System, Estimating, Wiring, Construction Methods, and Hints on Getting Business This volume was written for the wireman and contractor, with a view to giving him, not only some practical hints on latest construction methods, but also to suggest to him means for increasing his income. Many special devices have been described, which may suggest to the contractor, an extra which he may sell his customer. For those about to embark in the electrical contracting business as well as the established contractor, the system of accounting described may suggest means for detecting financial leaks, as well as for systematizing the accounts. Only devices and wiring methods approved by the underwriters have been described. The underwriters rules have not been included in this volume, as they can be obtained free of charge from either the New York, Boston or Chicago offices of the National Board of Fire Underwriters.
