Jac L Etoile has always been haunted by the past, her memories infused with the exotic scents that she grew up surrounded by as the heir to a storied French perfume company. In order to flee the pain of those remembrances--and of her mother s suicide--she moved to America. Now, fourteen years later she and her brother have inherited the company along with it s financial problems. But when her Robbie hints at an earth-shattering discovery in the family archives and then suddenly goes missing--leaving a dead body in his wake--Jac is plunged into a world she thought she d left behind. Back in Paris to investigate her brother s disappearance, Jac becomes haunted by the legend the House of L Etoile has been espousing since 1799. Is there a scent that can unlock the mystery of reincarnation - or is it just another dream infused perfume? The Book of Lost Fragrances fuses history, passion, and suspense, moving from Cleopatra s Egypt and the terrors of revolutionary France to Tibet s battle with China and the glamor of modern-day Paris. Jac s quest for the ancient perfume someone is willing to kill for becomes the key to understanding her own troubled past.
