paperback. Book Condition: New. Ship out in 2 business day, And Fast shipping, Free Tracking number will be provided after the shipment.Paperback Pages Number: 118 Language: Chinese. A serious and preview the habit of many students is only concerned about the class listened to the lectures. after-school homework. while ignoring the preview the. some students simply have not made expected to preview. The most important reason is not lack of time. but did not realize the importance of the preview. To concentrate on lectures habits before class does not have a when the Church to grasp the determination. it will directly affect the listening effect. Before each lesson. the students can consciously ask themselves must master when the court. then. the efficiency of the class would be greatly enhanced. (3) the habit of timely review of the advantages of timely review is to deepen and consolidate the understanding of the learning content. to prevent learning usually occurs rapidly forgotten. According to the two or three days after the forgetting curve. memorizing. and forgetting the fastest. then gradually slow down. 4 do the homework habits of clear homework in order to timely check the effectiveness of learning. After preparation. classes. after-school review. knowledge did not understand. do not remember. remember to what extent. knowledge of whether the application. the application of how strong these learning problems. feel alone is not accurate . The habit of reflection after practice in reading and learning process. each student carried out the greater intensity of exercise. done the subject is not're done. more importantly. is extended to knowledge. expand and deepen. therefore. reflect after an important part of the problem-solving. 6. Positive habit of taking the examination from the perspective of students. the examination results directly related to the evaluation. but also to their own...
